

## "Live Learning" - Student Behaviour

Dear Parents and Carers

As we all get to grips with "Live Learning" it has become apparent that we need to amend how we communicate with you about your child's behaviour in the "Virtual Classroom".

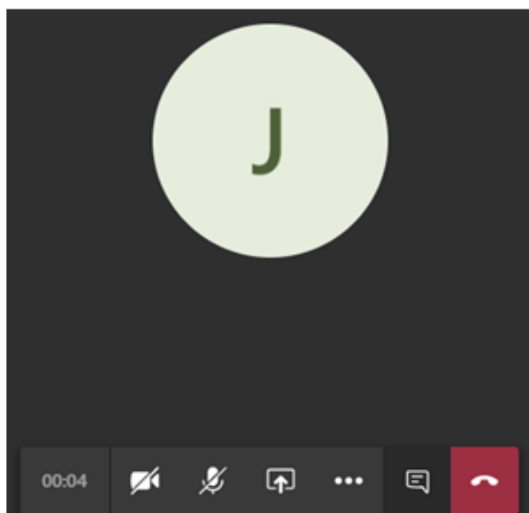

Below is the behaviour flow chart that teachers at Goodwin Academy will be following during "Live Learning" sessions.

### Live Learning – Behaviour Flow Chart

Could I please ask you to remind your child that during a "Live Learning" session they must ensure:

- their microphone is muted
- their camera is switched off
- the chat function is **ONLY** used to communicate with the teacher on topics related to the session.

Camera and  
microphone off

chat function

Thank you for your continued support during these challenging times.

Yours Faithfully
