

16<sup>th</sup> November 2020

Dear Parents/Carers,

I am writing to inform you of an important change to the Year 10 pastoral team. Miss Dash has now become the Acting Curriculum Leader for the Science faculty whilst Mrs Gravell is on maternity leave. This means that she will no longer be Head of Year 10. Miss Dash will continue to mentor and support some of the Year 10 students but her focus will now move to the Science faculty.

As a result, I am delighted to inform you that both Mr Murphy and Mrs Silk will jointly be overseeing the Year 10 cohort. Both Mr Murphy and Mrs Silk bring a unique set of skills that will enable your child to be supported to be their BEST. Mr Murphy will be leading on academic standards and the progress of students within their curriculum subjects, with Mrs Silk focusing on student personal development and wellbeing. Miss Friend, our Year 10 Wellbeing Officer has not changed, and you can still contact the school as you would have done previously.

Please can I thank you again for the support you have given the school during these challenging times.

Yours sincerely,

**Mr Evans**  
**Vice Principal**
