

Dear Parents/Carers

I would like to take this opportunity to thank you for your continued support at this challenging time. At the start of this new term, can I ask you to please check your child has the correct equipment (listed below) and that they have their planner with them every day, for every lesson. It is really important, due to the current restrictions that all students are prepared for lessons and we reduce the amount of equipment we loan to students. We need students to have the correct equipment so they can successfully engage with their learning with the minimum of disruptions.

Essential equipment:

- Black or blue ball point pen
- Pencil
- Rubber
- Ruler
- Scientific Calculator

Please ensure that their school bag is fit for purpose and is large enough for their schoolwork, planner and equipment.

School uniform should be worn correctly and with pride, so please encourage your child to wear their uniform appropriately and represent Goodwin and themselves in the BEST possible way.

I would also like to highlight that it is essential for students to be on site by **8:25am** every day to enable them to be in classrooms for 8:30am. Students who arrive late to school without a genuine reason, will be issued with a lunchtime late detention. If a student is unwell please can parents/carers contact the school attendance officer, Miss Dore on 03333 602210 option 1 before 9am.

Thank you for your ongoing support and together we can ensure that our students can achieve their best at Goodwin.

Kind regards

Mr J Partridge  
**Assistant Principal**
