

Goodwin Academy Summer School 2021

Summary of summer school activity	
Dates of summer school	26 th – 30th July 2021
Total number of students in attendance (this is the total number of pupils who attended at any point in the summer school)	128
Summary of activities <i>Brief summary of the range of academic and enrichment activities that made up the Summer School provision</i>	<p>We offered an array of academic & enrichment activities for our students. The science department provided three days of practical learning, from creating circuits to using purple cabbage as a PH indicator. The technology department provided two practical lessons, with some students making some very yummy cakes, while others made wooden robots.</p> <p>Student also experienced some taster lessons in Maths, English, History, Music & Art. The Shakespeare Theatre company joined us on Thursday & provided the students with some mini work shop sessions which was a big hit with both students & staff. To finish off the week the PE department ran a mini sports day where students competed in Teams. At the end of the event the winning team was awarded medals, plus medals were also award to individual students who had shown perseverance & their Best throughout the day.</p>
